

# SUNSHIELD® VINYL

## *Your Versatile Window Solution*

Endure windows are constructed of SunShield vinyl, made with a compound proven to perform better than alternative building materials. SunShield weathers the toughest conditions — from coast to coast, and everywhere in between.

### SIMPLY THE BEST FORM OF PVC AVAILABLE

SunShield is the industry's most high-performing vinyl compound for color retention and impact resistance. It's a proprietary formula that's laboratory-proven to perform better than alternative building materials.

- ✓ Vinyl is the low-maintenance choice for residential use.
- ✓ The vinyl compound is uniquely formulated to withstand the harsh effects of weather, UV light and southern exposure.
- ✓ Pharmaceutical-grade compounding and blending systems provide consistency, so you can rely on superior color and weatherability.
- ✓ Industry partnerships and on-going research into new technologies ensure the vinyl compound exceeds industry standards, outperforms the competition, and works together to offer best-in-class technology.
- ✓ Resistant to rot, insect, and microbial damage.
- ✓ Never requires painting.
- ✓ Easy to clean with common household cleaners.
- ✓ 100% Recyclable for a more sustainable future.
- ✓ Helps to reduce your heating and cooling costs with nearly 1,600 times the thermal efficiency of aluminum windows.
- ✓ Resistant to water and light for uniform quality and color over time.
